## Prices for digital copies and duplications

A photocopier and a scanner are available in the reading room on request.

Reproductions from historical books (years of publication up to 1970) or from particularly sensitive or damaged books are only possible as photographic images or via scan or copy orders.

### Specification of the intended use

For the reproduction of autographs, special collections, estates, pictures and photographs, the purpose of use must be stated with the reproduction order.

The reproductions are for private or scholarly use only. Any other use (e.g. for commercial purposes) requires a separate agreement. Reproductions may not be passed on to third parties without the prior consent of the International Youth Library Foundation.

Please note that when using the reproductions you are responsible yourself for safeguarding the rights of third parties (e.g. personal rights, copyrights, especially §§52-54 und §60 UrhG).

In the case of publication of any kind, the International Youth Library Foundation and the signature / shelf mark of the work in the International Youth Library must always be mentioned. Before reproducing pictorial reproductions from autographs and special collections in a publication, the written permission of the International Youth Library Foundation must be obtained.
